THE CREATOR – ONE CORK SHORT OF A BREAKTHROUGH

CORKINATOR

Personality: Brilliant, erratic, and always 5 seconds away from either genius or disaster. He’s the wild card inventor of the Corksy Universe — unpredictable but strangely loveable.

Description: The mad scientist of the cellar — part cork, part chaos. Corkinator built the first wine-powered engine, reversed a mold outbreak (accidentally caused by himself), and once disappeared into a barrel for 6 months to “meditate with microbes.” Now back — hair fried, eyebrows permanently raised, and ideas more explosive than ever.

Tagline: “If it fizzes, it functions!” - “Inventing trouble since... I forgot.”

Visual Identity:

- Bushy white mustache & beard
- Massive black eyebrows
- Lab coat with scribbles and stains
- One monocle embedded into the cork face
- Usually surrounded by broken tools, leaking flasks, and sparks

Merch Ideas:

- “Corkinator’s Lab Notes” notebooks (with fake burn marks and scribbled formulas)
- Coffee mugs that say “One more spark can’t hurt.”
- Mini statue with lightning base (LED flicker version?)
- Animated sticker pack with different explosions or confused faces
- T-shirts with glowing electric Corksy logo in retro lab style

Story Hooks:

- Built Corksy’s backpack (accidentally added time travel features)
- Invents a scent amplifier for Profumo → makes things too powerful
- Keeps trying to clone himself using leftover corks and grapes
- Once turned the wine ghost into a solid being for 24 hours
- Appears during moments of tech crisis, usually with the wrong solution that somehow works

IL FILO – THE HAIR-ALCHEMIST OF CORKSY UNIVERSE

Il Filo

Personality: Obsessively creative, emotionally explosive, and unapologetically eccentric. Il Filo sees no difference between cutting hair and creating art — both require precision, chaos, and flair. He’s both stylist and sculptor, with a sharp tongue and sharper scissors.

Description: Il Filo is a cork gone rogue — formerly just an artist, now a full-blown wine cellar hairstylist-chemist. Armed with brushes, razors, and potions (half of which are expired), he styles clients and characters alike with mad flair. His art isn’t just on canvas — it’s in every streak of mold, dye, and scorched fringe. He’s known for yelling “Hold still or be fabulous forever!” and once created a hairstyle so powerful, it blew out all the candles in the cellar.

Tagline: “Chaos is my conditioner.” - “One snip from legendary.” - “Sharp with the scissors. Sharper with the shade.”

Visual Identity:

- Tall moldy cork with jagged edges
- Oversized black-rimmed glasses
- Tools sticking out of the top: brushes, scissors, dye bottles, combs
- Wild expression: clenched teeth, focused glare
- Paint splatters and colored mold like abstract war paint
- Carries a purple stylist suitcase (likely cursed)
- Surrounded by broken mirrors, candles, dyes, and potion bottles

Merch Ideas:

- Vinyl sticker pack of brushes, scissors, dramatic eyes, and Il Filo quotes

- “Il Filo’s Styling Potion” bottles as collectible props
- Mini resin bust with detachable tools from his head

- Secretly styles Profumo’s beard and Corkinator’s eyebrows at night
- Responsible for one of Corksy’s most iconic hairstyle disasters (which turned out to be a hit)
- May have hidden coded formulas inside hair dye bottles
- Once cut a villain’s hair mid-battle “for aesthetic balance”
- Rumored to be part of a secret stylist society called The Order of the Split Ends

- Has a crush on the wine ghost but says “It’s hard to date mist.”
